This offering is made only by the prospectus for the condominium and no statement should be relied upon if not made in the prospectus. Prices, plans and specifications are subject to change without notice. Dimensions are approximate and may vary with actual construction. All furniture, furnishings, floor coverings, fixtures, items of finish, furnishings and decoration, are conceptual only and are not necessarily included in each Unit. Stated dimensions are measured to the exterior boundaries of the exterior walls and the centerline of interior demising walls and in fact vary from the dimensions that would be determined by using the boundaries described in Section 718.104(4)(e), Florida Statutes, which are the finished surfaces of the perimeter and demising walls, ceilings and floors, excluding interior structural components. For the precise Unit boundaries, please refer to the Declaration. Note that measurements of rooms set forth on this floor plan are generally taken at the greatest points of each given room (as if the room were a perfect rectangle), without regard for any alcoves, offsets, columns, etc. Actual square footage of each room may be substantially less than the dimensions set forth on this floor plan due to variations in width. All dimensions and ceiling heights are approximate and may vary with actual construction, and all floor plans and development plans are subject to change. Additionally, ceiling height measurements include those areas where any soffits, molding, drop and/or suspended ceiling materials may be located. Developer, 4501 North Meridian LLC, reserves the right to modify the floor plans of any Unit prior to closing and reserves the absolute right, in its sole judgment and discretion, to substitute appliances, materials, fixtures, and equipment of equal or great quality or value for those specified. Additionally, for New York purchasers, the complete offering terms are available in an offering plan available from Sponsor, CO26-0120.
